

Dark Paradise
Lana Del Rey

A **C#m**
All my friends tell me I should move on
A **C#m**
I m lying in the ocean, singing your song
A **C#m** **A**
Ahhh, that s how you sing it
A **C#m**
Loving you forever, can t be wrong
A **C#m**
Even though you re not here, won t move on
A **C#m** **A**
Ahhh, that s how we play it

F#m **E**
And there s no remedy for memory of faces
B
Like a melody, it won t leave my head
F#m
Your soul is haunting me and telling me
E
That everything is fine
B
But I wish I was dead

C#m **B**
Everytime I close my eyes
F#m **C#m**
It s like a dark paradise
A
No one compares to you

I m scared that you won t be
B
Waiting on the other side
