

Driving In Cars With Boys

Lana Del Rey

Intro: **Bb Fm Eb F#**

Bb They say I m wasting time they said that I m no good **Fm**
Cause Imma love my life not doing what I should **Eb**
Call me poison ivy cause I m far from good **F#**
Pretty from afar like a dark star **Bb**

Bb They say I m dangerous they think I m really bad **Fm**
I m just making up for what I never had **Eb**
Go out at night whenever I feel sad **F#**
Oh this drive by love got me crazy like a drug **Bb**

Bb I wear my wig lipstick got my make up on **Fm**
Stumble into trouble siren with a sad song **Eb**
They all got girlfriends but i m the one that they want **F#**
Miss America with the blue mascara on

Bb I spent my whole life driving in cars with boys **Fm**
Riding round town drinking in the white noise **Eb**
Used to talk about where we ve been and where we go. **F#**
Now we know baby now we know **Bb**
Spent my whole life wasted in bars with boys **Fm**
Playing rock n roll dancing in the loud noise **Eb**
Used to talk about where we ve been and where we go. **F#**
Now we know baby now we know **Bb**

Fm Eb F#

Bb Mommy s Mercedes or Billy s pick up truck **Fm**
Comes out late at night and baby picks me up **Eb**
Tell him just drive on and d-don t ever stop **F#**
Don t take me home again take me to a new land **Bb**
I wear my red lipstick grab my coat and gun **Fm**
Wonder if this is it its darkest before dawn **Eb**
Sometimes I wanna give in but I just have to go on **F#**
Miss America now I m gone baby gone.
