

## Happiness Is a Butterfly

Lana Del Rey

**C** **E7**  
Do you want me or do you not?  
**Am** **F**  
I heard one thing, now I m hearing another  
**C** **E7**  
Dropped a pin to my parking spot  
**Am** **F**  
The bar was hot, it s 2am, it feels like summer

**Em** **F** **Am** **G**  
Happiness is a butterfly, try to catch it like every night  
**Em** **F** **Am** **G**  
It escapes from my hands into moonlight  
**Em** **F** **Am** **G**  
Everyday is a lullaby, hum it on the phone like every night  
**Em** **F** **Am** **G**  
And sing it for my babies on the tour life, ah-ah ah

**C** **E7**  
If he s a serial killer, then what s the worst  
**Am** **F**  
That could happen to a girl who s already hurt, I m already hurt  
**C** **E7**  
If he s as bad as they say, then I guess I m cursed  
**Am** **F**  
Looking into his eyes, I think he s already hurt, he s already hurt

**C**  
I said, Don t be a jerk, don t call me a taxi  
**E7**  
Sitting in your sweatshirt, crying in the backseat  
**Am** **G** **F**  
Ooh ooh-ooh ooh-ooh, I just wanna dance with you

**C**  
Hollywood and Vine, Black Rabbit in the alley  
**E7**  
I just wanna hold you tight down the  
**Am** **G** **F**  
Avenue-hoo-hoo hoo, I just wanna dance with you

**C** **F**  
I just wanna dance, baby, I just wanna dance  
(With you)  
**C** **F** **(C)**  
Dance, baby, I just wanna dance  
(With you) (with you)

**C** **E7**  
Left the canyon, drove to the club  
**Am** **F**  
I was one thing, now I m being another

**C** **E7**  
Go down to Sunset in my truck  
**Am** **F**  
I ll pick you up if you re in town, I m coming, ah-ah ha-ha

**Em** **F** **Am** **G**  
Happiness is a butterfly, we should catch it while dancing

**Em** **F** **Am** **G**  
I lose myself in the music, ba-?by

**Em** **F** **Am** **G**  
Everyday is a lullaby, try to catch it like lightning

**Em** **F** **Am** **G**  
I sing it into my music, I m cra-zy

**C** **E7**  
If he s a serial killer, then what s the worst  
**Am** **F**  
That could happen to a girl who s already hurt, I m already hurt

**C** **E7**
