I know you know how I feel
              G   **Em**
Loving you is hard, being here is harder
F#   **Bm**
 You take the wheel
              G   **Em**
I don t wanna do this anymore
F#   **Bm**   **G**   **Em**
 It s so surreal, I can t survive
      F#
If this is all that s real

When you would pay tribute to me

 Cause I know that all I wanted to do is get high by the beach
    Em   **F#**
Get high baby, baby, bye, bye

I know you don t understand
             G   **Em**
You could be a bad motherf**ker
    F#   **Bm**
But that don t make you a man
              G   **Em**
Now you re just another one of my problems
