Lana Del Rey
JFK
(Verse)
You smell like a million roses bathed in rock and roll
Ours was the greatest love story ever told
Throat like an angel with a voice that was made of gold
Em
    That s my baby
(Prechorus)
                                         Bm
Young or old, summer or cold
                                         \mathbf{Bm}
Young or old, summer or cold
(Chorus)
                                                           Α
You ve got a way like JFK when you do it
The way that you move it spins me round like a record, baby
