

Lucky Ones

Lana Del Rey

Let s get out of this town, baby we re on fire
Everyone around here wants to be going down, down down
If you stick with me, I can take you higher, and higher
It feels like all of our friends are lost
Nobody s found, found found

I got so scared, I thought no one could save me
You came along scooped me up like a baby

Every now and then, the stars align
Boy and girl meet by the great design
Could it be that you and me are the lucky ones?

Everybody told me love was blind
Then I saw your face and you blew my mind
Finally, you and me are the lucky ones this time

Bugging into my car, got a bad desire
You know that we ll never leave if we don t get out now, now now
You re a crazy con and you re a crazy liar, but baby
Nobody can compare to the way you get down, down down

I tried so hard to act nice like a lady
You taught me that it was good to be crazy

Every now and then, the stars align

Boy and girl meet by the great design

Em **D** **G**
