

On Our Way
Lana Del Rey

Dm

You, you light my red fire babe

F

Hot white, and blue.

G

I, I think that you,

Dm

I think you re so cool babe

F

Loving everything you do.

Am

You say we re gonna run away

G

Put on your sundress, summer day

G

Flying around on the highway.

C

Spin me round kiss me in your chevrolet.

Am

I love you more with each and everyday.

G

Top down, gonna make a getaway, top down.

C

Spin me round kiss me in your chevrolet.

Am

You found me when I had lost my way.

G

Foot down, we re going all the way, touchdown.

G

You know what I want.

F

Take me to the k-mart, pick me up pink lipgloss.

G

How you get so hot

Dm

You re making me crazy

F

Hoping you ll never stop.

Am

You say that we were meant to be.

G

We ll be together finally.

G

Flying around and I m finally free.

C

Spin me round kiss me in your chevrolet.

Am

I love you more with each and everyday.

G

Top down, gonna make a getaway, top down.

C

Spin me round kiss me in your chevrolet.

Am

You found me when I had lost my way.

G

Foot down, we re going all the way, touchdown.

Dm

We re on our way

Am

We re on our way

Dm

We re on our way

Am

We re on our way

G

Why did I think too much?

Dm

You tell me not to worry

F

Because you re the boss.

G

You, you got a real good plan

Dm

My trouble s all over now

F

Because you re my man.

Am

You don t know what you ve done to me.

G

You re heavier than heavenly.

G

Life on the run has set me free, me free now.

Dm

We re on our way

Am

We re on our way

Dm

We re on our way

Am

We re on our way

Dm

We re on our way

Am

We re on our way

Dm

We re on our way

Am

We re on our way

Dm

We re on our way

Am

We re on our way

Dm

We re on our way

Am

We re on our way

Dm

We re on our way

Am

We re on our way

Am

You tell me not to worry

Am

Am

Because you re the boss.
