C

I don t have to talk taste for you, mama

A5 - C A5 - C

No, oh no

Em

Ray, ray, ray

Raise me up

C

Ray, ray, ray

Raise me up...

It s the voodoo, mississippi south
69 million stars
Birds are flying out of my mouth
Spirits creeping in my yard

Hold my head, it s tilting back
Something dancing me around
Putting crystals on my neck
Lifting my feet off the ground

Ray, ray, ray

Raise me up

Em C

Oh, see, what you ve done
Oh, me, just what i m talking about
Oh, see, what you ve done
Ohh, me, it s what i m talking bout

Pick me up in a pickup truck
Roll down, you ve got it going on

Lemme talk on your cb, what?
Lemme play with your new shotgun

Ray, ray, ray
Raise me up

NOTE: I DID NOT CREATE THIS TAB.
FOUND IT AND WANTED TO SHARE.

thank you.
