

Tv In Black And White

Lana Del Rey

Intro : **C Em Dm G**

C **Em**
If you get lonely, think of me only
Dm **G**
Prison isn't going to keep me from you
C **Em**
Remember Coney Island and how we
Dm **G**
Went into the water, till the waves turned blue
F
Nobody does have to know,
Em
That our love's alive,
F **Em**
Keep it under low, if you want to hide
Am **D**
Got that same address, if you want to ride
F **D** **G**
On Greenwich Avenue, wishing and thinkin' of you

C **Em**
Living without you is like TV in black and white
Dm **G**
You turned me on and brought color into my life
C **Em**
When I'm around you suddenly I realize
Dm **G**
That I was blind before I saw the world with your eyes

Tune break , same chords : **C Em Dm G**

same chords through the verse again :

C Em Dm G....
If you get lonely, think of this only
Heaven hasn't forgotten about you
Though you can't hold me, pick up and phone me
Use your one phone call on your ex-girl, boo
F **Em**
I won't tell a single soul, how you spend your nights
F **Em**
In that single cell, holding your pillow tight
Am **D**
If you really are afraid, then you ought to know
Dm
That you're the one I want,
G

The one I want, forevermore

C **Em**
Living without you is like TV in black and white
Dm **G**
You turned me on and brought color into my life
C **Em**
When I m around you suddenly I realize
Dm **G** **Am**
That I was blind before I saw the world with your eyes

D
I know you get scared sometimes, boy
F **C**
Nothing to be feared when you re in my heart
Em
Troubles come in threes, but in your case,
D# **Dm**
They came in millions, and trillions, but that s alright

C **Em**
Living without you is like TV in black and white
Dm **G**
You turned me on and brought color into my life
C **Em**
When I m around you suddenly I realize
Dm **G**
That I was blind before I saw the world with your eyes

C Em Dm G....
Like TV in black and white
Like TV in black and white
Like TV in black and white
***C**
Like TV in black and white
