

**Velvet Crowbar**  
**Lana Del Rey**

First tab.. Favourite LDR song

**Em** **C** **G**  
I was addicted to you but I didn't know it

**Em** **C**  
You were afflicted by booze

**G** **Em**  
You didn't show it huh

**C**  
Life is a velvet crowbar

**G** **Em**  
Hitting you over the head

**C**  
You're bleeding but you want more

**G** **A**  
This is so like you I said

**C** **G**  
Put yourself on back to bed

**Em**  
You're like crack to me I don't want to leave

**C** **G**  
I'm watching you sleep, pray you'll start breathing

**D**  
My baby's on his eighth life darling

**C** **G**  
Staying with him till the morning

**Em**  
You're like crack to me so fun I can't see

**C** **G**  
With your golden grill, your purple dream

**D**  
My baby's on his eighth life darling

**C** **G**  
Gonna watch him till the morning

**Em** **C** **G**  
I was addicted to you didn't wanna blow it

**Em** **C**  
You were a dick with your crew

**G**  
Always on the road

**Em** **C**

You wanna touch life so hard

**G** Why can't you give it a rest? **Em**

You're not that bright for a star **C**

**G** Burned yourself out nothing left **A**

Burned yourself out nothing left **C G**

**Em**

You're like crack to me I don't want to leave

**C** I'm watching you sleep, pray you'll start breathing **G**

**D** My baby's on his eighth life darling

**C** Staying with him till the morning **G**

**Em**

You're like crack to me so fun I can't see

**C** With your golden grill, your purple dream **G**

**D** My baby's on his eighth life darling

**C** Gonna watch him till the morning **G**

**A** Styrofoam on the microphone

**C** Can't give it up, can't go it alone **G**

**D** Flame colored paradise for you darling

**C** But death doesn't come with a warning **G**

**Em** Life is a velvet crowbar **C**

**G** Hitting you over the head **Em**

You're bleeding syrup amour **C**

**G** Bleeding to death

**Em**

You're like crack to me I don't want to leave

**C** I'm watching you sleep, pray you'll start breathing **G**

**D** My baby's on his eighth life darling

C G  
Staying with him till the morning

Em  
You re like crack to me so fun I can t see

C G  
With your golden grill, your purple dream

D  
My baby s on his eighth life darling

C G  
Gonna watch him till the morning
