

White Mustang
Lana Del Rey

[Intro] Bm/F# F#m A/E E

Bm/F# F#m
Packing all my thing for the summer
A/E E
Lying on my bed, it s a bummer
Bm/F#
Cause I didn t call when
F#m
I got your number
A/E E
But I liked you a lot
Bm/F# F#m
Slippin on my dress in soft filters
A/E E
Everybody said you re a killer
Bm/F#
But I
F#m
Couldn t stop the way
A/E
I was feeling the day
E
Your record dropped
Bm/F# F#m
The day I saw your white mustang
A/E E
Your white mustang
Bm/F F#m
The day I saw your white mustang
A/E E
Your white mustang
Bm/F# F#m
Caught up in my dreams and forgetting
A/E E
I ve been acting like
Bm/F#
Armageddon cause you
F#m
Held me in your arms just a
A/E
Little too tight
E
That s what I thought
Bm/F# F#m

Summer s means for lovin and leavin

A/E **E**

I was such a fool

Bm/F#

For believin that you

Could change all

F#m

The ways you ve been livin

A/E **E**

But you just couldn t stop

Bm/F# **F#m**

The day I saw your white mustang

A/E **E**

Your white mustang

Bm/F# **F#m**

The day I saw your white mustang

A/E **E**

Your white mustang

Bm

You re revving and revving

F#m

And revving it up

A **E**

And the sound, it was frightening

Bm **F#m**

And you were getting the part of that

A **E**

You re gonna hit me like lightening

Bm **F#m**

White mustang

A **E**

Your white mustang

Bm **F#m**

The day I saw your white mustang

A **E**

Said you re a wild mustang

Bm **F#**

You re gonna

A **E**

Hit me like lightening

Bm **F#**

You re gonna

A **E**

Hit me like lightening
