

Without You  
Lana Del Rey

**Ebm** **C#**  
Everything I want I have  
**B**  
Money, notoriety and rivieras  
**Ebm** **C#** **B**  
I even think I found God  
**B**  
In the flash bulbs of the pretty cameras  
**Ebm** **C#**  
Pretty cameras, pretty cameras  
**B**  
Am I glamorous? Tell me am I glamorous?

**F#**  
Hello? Hello?  
**C#**  
C|-can you hear me  
**G#m**  
I can be your china doll  
**B**  
If you want to see me fall  
**F#**  
Boy you re so dope  
**C#**  
Your love is deadly  
**G#m**  
Tell me life is beautiful  
**B**  
They all think I have it all  
**Ebm** **C#** **G#m**  
I ve nothing without you  
**B** **Ebm**  
All my dreams and all the lights mean  
**C#** **G#m** **B**  
Nothing without you

**Ebm** **C#**  
Summertime is nice and hot  
**B**  
And my life is sweet like vanilla is  
**Ebm** **C#**  
Gold and silver line my heart  
**B**  
But burned into to my brain are these stolen images  
**Ebm** **C#**  
Stolen images, baby, stolen images  
**B**

Can you picture it

Babe, the life we could ve lived?
