

Cloak And Cipher
Land of Talk

capo on the 2nd fret

D **G** **D** **G**

D
light it leaks through

G
makes my day

D
know all you love

G
it lacks soul

D **G**
and all of the candle may catch

D **G**
what you can use

D
i just saw you

G
rhythm i tried

D **G**
it would take you only a while

D **G** **D** **G**
and to take it suddenly fair it won t do

D **G**
why d you say you what up and went?

D **G**
lied to kid you when you said send

D **G**
though meanwhile that soft hate

D
it was true

D **G**
never saw you live in that call

D **G**
lookin back and write on the wall

D **G**
did you think it would beat this heart well

D **G**
string it through...

Em
loose choir
unsteady on the stage

Em

what you lovest well remains

Em

loose choir

A

love it well and it will stay

G

i won t redeem another

A

lose that

G

i won t redeem another

A

lose that

G

i won t redeem another

A

lose that

D

lean on the need

D G D G

[and so on!]

and i know you never knew quite
how it feels i ve opened the night
it s enough that connections aren t when
it was true

i just saw you with him
i tried
it would only take you a while
and to take it suddenly fair
it won t do

never saw you live in that call
lookin back and write on the wall
did you think it would beat this heart well
string it through...

loose choir
unsteady on the stage
what you lovest well remains
loose choir
love it well and it will stay

lose that
i won t redeem another
lose that
i won t redeem another
lose that
i won t redeem another

lean on the need
