

**Troubled
Land of Talk**

I love this song but couldn't find any tabs for the chord patterns, I stumbled across myself so here they are.

This song uses E and E9 as well as some strange variations around the A chord

```

e |-----|-----|
B |-----|-----|
G |-----|--2--2--2-----|
D |-4--2--|--1--2--4 / 6-----|
A |-2--2--|--0--0--0-----LET RING--|
E |-0--0--|--(2)-----| ON BASS but can be played with thumb

```

E9/E A

The chords are played in different sequences and you will have to listen to the track to exact sounds

verse

E/E9 A
Freedom to feel, all that I have been feeling....

chorus

E A E A
Troubled heart folded, and doubled right over
E B A E
Mon coeur se forme, perdu tu pouvoir

Piano after chorus

```

e |--12---11---7--4--2-----5-4-----|
B |-----2-5-4-----|
G |-----2-1-----|
D |-----6-4-----2-1--4---|
A |-----|
E |-----|

```

verse

```

e |-----|-----|
B |-----|-----|
G |-----1--|--2-2-2--2-----|

```

D | ----4-2-- | --1-1/2--2/4--4/6- |
A | ----2-2-- | --0-0-0--0-0--0-0- |
E | ----0-0-- | ----- |

there are some rhythm changes etc. but the chord pattern stays the same throughout.
