The verse is the same as the intro [except you sing]

Verse I:

Where you re at is where i ll be
you re sitting beneath those big tall trees in the yard
outside your front door
the sun goes down you start looking around
you re waitin for something i pray to God its me
that would be so great
cause i m falling in love with you

Chorus:

Am7 C G D/F#
And i would wait for you
Am7 C G D/F#
even if its the last thing i ever do for you
Am7 C G D/F#
the sun goes down in your eyes
Am7 C G D/F#
just open up and realize i would never leave your side
Am7 C
i would wait for you

Verse II:

You make sure to wave at the people who pass on by
you re the first to say hello but you never say goodbye
you could sit all day and listen
your face your smile
it makes you glisten
and oh you give me a brighter day

Landon did a tutorial on this, so I just copied what he said--
I didn't make this up myself. Here's his tutorial:
