

The Way It Ends
Landon Pigg

I couldn't find it anywhere else so I tried to make it myself. Play the G and A in the chorus as powerchords. Sorry if it's not completely right, I tried my best!

Dm **Bb**
Run
Is this to be our fate

Dm **Bb**
Hide
Freedom is ours as long as we escape

G **Bb**
We walk in the shadows, we do
G **Bb**
For now but we all know
 C
Our time is near

Dm **Bb**
This is the way it ends
C **Am**
Don't tell me it's meaningless
Bb **F**
There'll be no compromise
G **A**
We fall, and we too, shall rise
Dm **Bb**
You held me and taught me how
C **Am**
I think I am ready now
Bb **F**
If this is the way it ends,
G **A**
Then this is the way it's meant to be

The other verses are the same as the first.

@ bridge you play :

Bb **F C**
Bb **F C** and then into the **Dm** from the chorus.

Have fun!
