

## Herricane

LANY

C

I don t know when this tornado hit

C

You re from the east coast, so let s both call it

F

A hurricane

C

A hericane

C

Pacin through the, the back of my mind

C

Maybe you ve been a storm all this time

F

A hurricane

C

A hericane

C

Stop all this sin

F

Be born again

C

If you want to, if you want to

Am

Cause our home s a wreck, look at this mess

G

You blame it on disobedience

F

But I think it s time, time you realized

C

You re the one in the wrong

C

Oklahoma, this time of year

C

California, it s different out here

F

No hurricane

C

No hurricane

C

I m not runnin from all my pain

C

But it can t go, go without sayin

F

No hurricane

**C**

No hericane

**C**

Stop all this sin

**F**

Start over again

**C**

If you want to, if you want to

**Am**

Cause our home s a wreck, look at this mess

**G**

You blame it on disobedience

**F**

But I think it s time, time you realized

**C**

You re the one in the wrong

**Am**

Caught in the midst of your insecure winds

**G**

Breakin us down and wearin us thin

**F**

But I love you still, I always will

**C**

But you re the one in the wrong

**Dm**

**C**

**G**

I know your heart hurts the most at 3 am

**Dm**

**C**

**G**

I know he left before you could even know him

**Dm**

**C**

**G**

I ve done my best to carry all this weight

**F**

**C**

**G**

I love you still, I always will, but this needs to change

**Am**

Cause our home s a wreck, look at this mess

**G**

You blame it on disobedience

**F**

But I think it s time, time you realized

**C**

You re the one in the wrong

**Am**

Caught in the midst of your insecure winds

**G**

Breakin us down and wearin us thin

**F**

But I love you still, I always will

**C**

But you re the one in the wrong

**F**

I love you still, I always will

**C**

You re the one in the wrong

**F**

I love you still, I always will

**C**

Even though you are wrong
