LANY

[Intro] **Cm** **C** **Gm** **Am** **F** **Em**

[Primeira Parte]

C **Gm**
Here I am again, back to my old ways
Am
Frozen with my thoughts
F **Em**
Wasting all my younger days
F **Gm**
And I just can't decide, should I be alone?
Am **F** **Em**
Hate the way I am, up every night, glued to my phone

[Refrão]

C **Gm**
Please tell me why it's easy at first
Am
But then it all breaks
F **Em**
The more you love, the more it hurts
C **Gm**
And I was just fine if it didn't work
Am
But now that you're mine
F **Em**
The more I love, the more it hurts, oh

[Segunda Parte]

C **Gm**
Honestly, it's me, I am so messed up
Am **F** **Em**
Making all the ones who care about me wanna run
C **Gm**
The sunset's black and white, it didn't used to be
Am **F** **Em**
I remember when it was pink skies, just you and me

[Refrão]

C **Gm**
Please tell me why it's easy at first
Am
But then it all breaks

F **Em**
The more you love, the more it hurts
C **Gm**
And I was just fine if it didn t work
Am
But now that you re mine
F **Em**
The more I love, the more it hurts, oh
