Larrapin

Capo 4

C

C G Am E7

If I were thrown into the sky above the clouds where stars dance with the moon,

F C Am F G C

No nothing in that crystal air could catch my eye and keep me there if going means Im

leaving without you.

C E7 F Dm F D7 G C

I guess I m ruining your chances of undercover lovers and spontaneous romances but my

soul was never nimble but and when I m with you it dances.

C G Am E7

In the blink of an eye, with no time left to say I ll try or catch you by the door

F C Am F G C

You re down the road and out of sight, I know i ll get no sleep tonight when you re all

I was ever fighting for.

C E7 F Dm F D7 G C

You know I never returned glances, from undercover lovers and spontaneous romances but i

guess i had you worried and im out of second chances.

Second Chances

F, G, Am, E, F, G

C

I miss you so!

G

Then tell me why you had to go?

Am E7

I couldn't stand the pain.

F C Am F G C

And now we're out here on the brink, these hearts of ours are out of sync.

How could you leave?

Why did I do without you?

C E7 F Dm F D7 G C

I guess I'm ruining your chances of undercover lovers and spontaneous romances
but my

soul was never nimble but and when I'm with you it dances.
