

God Part 3

Larry Norman

I really love this song but couldn't find it anywhere on the net!!!! So I tabbed it out from memory on my acoustic guitar. Think it's right - ish LOL

Intro: C G A C G A (X2)

A

I don't believe in beatles, I don't believe in rock

I don't believe in the cutting edge, that's just journalist talk

I don't believe in the cover story or the gospel chart

you can easily hit number one with a bullet and totally miss the heart

but I oh I believe in God

A

I don't believe in politics while the masses stay unfed

til the leaders change priorities and supply the poor with bread

don't believe in the revolution or the empty words of peace

you can tear all of the governments down you still won't find release

but I oh I believe in God

Break: D G D G D G C F Bb A

A

I don't believe the papacy when fallible lies are told

if they really want to help the poor they should sell some of their gold

and I don't believe the aryan's are the master race

if you think that Jesus is white you'd be surprised to see His face

but I oh I believe in God

Break: E C E C E C B C A

D

don t believe in esperanto or the dreams of babylon

A

D

if we all spoke the same language, long ago we would a built the bomb

D

and I don t believe in money the way lives are bought and sold

A

and when this world is ended bankrupt I m gonna walk the streets of gold

C

D

C

D

no I don t believe in evolution, I was born to be free

C
