

# I Love You

Larry Norman

**G**

We can be together for now and forever

**C** **D**

I love you, I love you.

**G**

Hey, can you hear me, I got to have you near me,

**C** **D**

I love you, I love you.

**Am**

I was lonely til you came along

**C**

**D**

Now you ve got me singing your love song.

**G**

I love you, I love you, I love you, I love you,

**C** **D**

I love you, I love you,

**G**

I love you, I love you, I love you, I love you,

**C** **D**

I love you, I love you.

Life is a mystery, love is a dancer,

I love you, I love you.

I had a question, you brought the answer,

I love you, I love you.

**Am**

Oh, but I need you so,

**C** **D**

I could never let you go, Oh no.

**G**

I love you, I love you, I love you, I love you,

**C** **D**

I love you, I love you, I love you, I love you, I love you,

**D**

I love you, I love you, I love you, I love you,

**C** **G**

I love you, I love you, I love you, I love you, I love you,

**G**

I was lonely once but then you came along,

**C** **D**

and I love you, I love you.

**G**

And you gave me love so I wrote down this song,

**C**

**D**

I love you, I love you

I want to spend my life with you like the angels on high,

I love you, I love you,

You re the Morning Star, You re the Son in My Sky,

I love you, I love you.....
