

Shot Down

Larry Norman

A E
I ve been shot down, talked about

A D
Some people scandalize my name

A E A D A E
But here I am talking about Jesus just the same

A E
I ve been knocked down, kicked around

A D
But like a moth drawn to a flame

A E A D A E
Here I am talking about Jesus just the same

D
I ve been rebuked for the things I ve said

A
For the songs I ve written and the life I ve led

E
They say they don t understand me but, I m not surprised

Because you can t see nothing when you close your eyes

A E
They say I m sinful and backslidden

A D
That I have left to follow fame

A E A D A E
But here I am talking about Jesus just the same

D
You wanna talk about my life, hey listen to me

A
You got your facts all backwards, 1, 2, 3

E
And spreading rumors and gossip is a real bad game

The only name to spread is Jesus name

A E
I ve been shot down, kicked around

A D
But like a moth drawn to the flame

A D E
Here I am talking about Jesus brother

A D E
Here I am talking about Jesus sister

A D E A D A A7

Here I am talking about Jesus just the same
