

Heroes

Last Day Of Summer

[Instrumental]

**Eb F G F**

[Verse]

**G** **Bb** **F**  
iâ€™m looking for the difference, between emptiness  
**G** **Bb** **F**  
and today, weâ€™re making sacrifices, to get nothing in return  
**G** **Bb** **F**  
we re longing for lost causes, when masks are not  
**G** **Bb** **F** **Eb**  
enough, filled with compromises, tomorrowâ€™s only haste

[Chorus]

**G** **F** **Eb** **G** **F**  
**Eb**  
when everything, flls to pieces, our love will make its part  
**G** **F** **Eb** **G** **F** **Eb**  
when silence breaks, but no one listens, weâ€™ll never be apart

[Verse]

**G** **Bb** **F**  
i can feel the inconsistency, of promises  
**G** **Bb** **F**  
untold, stuck with all the fces, my soul can only  
**G** **Bb** **F**  
burn, its like to live in pauses, when masks are not  
**G** **Bb** **F** **Eb**  
enough, dealing with compromises, tomorrowâ€™s only a race

[Verse]

**G** **F** **Eb** **G** **F**  
**Eb**  
when everything, flls to pieces, our love will make its part  
**G** **F** **Eb** **G** **F** **Eb**  
when silence breaks, but no one listens, weâ€™ll never be apart

[Chorus]

**Eb** **F** **G**  
i see the causes, not consequences, the very words we use result with no  
**Bb** **Eb**  
influence, and again we fll into our greatest mistakes  
**Eb** **F** **G**  
**Bb**  
the consequences, are still the causes, every decision ends up with another  
**Bb** **Eb**  
tragedy, were not the heroes we thought we could ever be
