Verse:

A **E** **A E**
We pulled ourselves together.
A **Dmaj7** **A E**
So tangled we would never fall apart.
A **E** **A E**
Our hearts would beat whenever.
A **Dmaj7** **A E**
No longer use to keep ourselves alive.

Chorus:

Dmaj7
We had so much going on,
Bm **C#m** **E**
Why did this have to go and happen to us? Oooh
Dmaj7 **Bm**
And if my heart starts beating again, I just want to know will you be
A
waiting on the other end.

Verse:

A **E** **A E**
Pictures in my bedroom,
A **Dmaj7** **A E**
Reminds of ten years that came and went
A **E** **A E**
Raised of old intentions,
A **Dmaj7** **A E**
Wither away as time evolves the past

Chorus:

Dmaj7
We had so much going on,
Bm **C#m** **E**
Why did this have to go and happen to us? Oooh
Dmaj7 **Bm**
And if my heart starts beating again, I just want to know will you be
A
waiting on the other end.
