Capo 1

intro :
Dm F C G
Dm F G Bb C(barré) **F**

F   **C**
Star light gonna burn out tonight
Dm   **Bb**
And drink till I forget
F   **C**
Somebody turned out the lights
Dm   **Bb**
Now I don’t know where I’ve been

F   **C**
Fell down and I’m on the ground
Dm   **Bb**
Now I’m looking up again
F   **C**
To the sky where I used to shine
Dm   **Bb**
And that’s where it all began
Dm   **Bb**
That’s where it all begins

```
G                Bb
Nobody always wins
Dm          Bb
And that's where we'll all land
G                      Bb   C(barré)          F
Until we try again, again and again

F               C
Falling stars landing on the boulevard
Dm          Bb
That's all behind the scenes
F           C
Should've known we wouldn't get very far
Dm           Bb
In this town of broken dreams
A       Dm         Bb            F
Someone should have told you, it's not as easy as it seems
A        Dm           Bb          G
Someone could have shown you, it's all behind the scenes
Bb          Dm
It's all just make believe

**intro instrumental**

F                              C
Another round for the circus clown
Dm              Bb
He's finally made it big
F             C
Center ring now he's going to sing
Dm          Bb
The national anthem
F               C
He wrote the song, it's a sing-a-long
Dm                  Bb
Now he's forgetting all the words
F            C
And now he cries just like Jekyll and Hyde
Dm          Bb
And the carousel it turns
Dm          Bb
And that's where we all return
G                Bb
When will we ever learn
Dm              Bb
To laugh and play along
G          Bb        C(barré) F
The show it must go on and on and on
```

F   **C**
Falling stars landing on the boulevard
Dm   **Bb**
It’s all behind the trends
F   **C**
Should have known we’d never get very far
Dm   **Bb**
In the city of dead ends
A   **Dm**   **Bb**   **F**
Someone should have told you, that’s just the way it goes
A   **Dm**   **Bb**   **G**
Someone could have shown you, it’s all in who you know
Bb   **C**(barré)-**F**
It only goes to show
