G **G/Gb**
Take me back to the day
Em **Em/D**
In the summertime weâ€™d stay
C **G** **D** **D**
On the beach down by the bay

G **G/Gb**
And in the white sand we would lay
Em **Em/D**
With our worries far away
C **G** **D** **D**
And tomorrow, come what may

C **Am** **Bm** **Em**
Take me back to where Iâ€™m from
C **Am** **Bm** **Em**
Memories when we were young
C **Am** **Bm** **Em**
Good times come and good times gone
C **Am** **Em** **G**
Will find a place in the sun

G, **G/Gb**, **Em**, **Em/D**, **C**, **G**, **D**, **D** x2

G **G/Gb**
Within a moment
Â-**Em** **Em/D**
Eternity
C **G** **D** **D**
Has pulled the rug from under me

G **G/Gb**
Has taken advantage
Em **Em/D**
And liberties
C **G** **D** **D**
Has taken names and played for keeps

C **Am** **Bm** **Em**

But from the darkness of my mind
C Am Bm Em
A single thought has come to light
C Am Bm Em
Like the first star in the sky
C Am Em G
It leads me through the lonely night

G G/Gb
On a sidewalk
Em Em/D
By the sea
C G D D
A sillohuette of you and me

G G/Gb
Like faded foot prints
Em Em/D
On the beach
C G D D
Like a dream just out of reach

C Am Bm Em
Take me back to where Iâ€™m from
C Am Bm Em
Memories when we were young
C Am Bm Em
Good times come and good times gone
C Am Em G
Will find a place in the sun
