　　　C#, **Bbm**, **Cm**, **Fm**
　　C#, **Bbm**, **Fm**, **G#**

G#   **G#/Gb**
Take me back to the day
Fm   **Fm/D**
In the summertime weâ€™d stay
C#   **G#**   **Eb**   **Eb**
On the beach down by the bay

G#   **G#/Gb**
And in the white sand we would lay
Fm   **Fm/D**
With our worries far away
C#   **G#**   **Eb**   **Eb**
And tomorrow, come what may

C#   **Bbm**   **Cm**   **Fm**
Take me back to where Iâ€™m from
C#   **Bbm**   **Cm**   **Fm**
Memories when we were young
C#   **Bbm**   **Cm**   **Fm**
Good times come and good times gone
C#   **Bbm**   **Fm**   **G#**
Will find a place in the sun

G#, **G#/Gb**, **Fm**, **Fm/D**, **C#**, **G#**, **Eb**, **Eb** x2

G#   **G#/Gb**
Within a moment
Â-**Fm**   **Fm/D**
Eternity
C#   **G#**   **Eb**   **Eb**
Has pulled the rug from under me

G#   **G#/Gb**
Has taken advantage
Fm   **Fm/D**
And liberties
C#   **G#**   **Eb**   **Eb**
Has taken names and played for keeps

C#   **Bbm**   **Cm**   **Fm**

```
But from the darkness of my mind
C#              Bbm      Cm              Fm
A single thought has come to light
C#              Bbm      Cm              Fm
Like the first star in the sky
C#              Bbm      Fm              G#
It leads me through the lonely night

G#                                      G#/Gb
On a sidewalk
Fm                              Fm/D
By the sea
C#                      G#                      Eb          Eb
A sillohuette of you and me

G#                                      G#/Gb
Like faded foot prints
Fm                              Fm/D
On the beach
C#                      G#                      Eb          Eb
Like a dream just out of reach

C#              Bbm      Cm              Fm
Take me back to where Iâ€™m from
C#              Bbm      Cm              Fm
Memories when we were young
C#              Bbm      Cm              Fm
Good times come and good times gone
C#              Bbm      Fm              G#
Will find a place in the sun
