Latch Key Kid

Sidewalk song

Intro- **F, F/Gb, Dm, Dm/D, Bb, F, C, C** x2
Bb, Gm, Am, Dm
Bb, Gm, Dm, F

F **F/Gb**
Take me back to the day
Dm **Dm/D**
In the summertime weâ€™d stay
Bb **F** **C** **C**
On the beach down by the bay

F **F/Gb**
And in the white sand we would lay
Dm **Dm/D**
With our worries far away
Bb **F** **C** **C**
And tomorrow, come what may

Bb **Gm** **Am** **Dm**
Take me back to where Iâ€™m from
Bb **Gm** **Am** **Dm**
Memories when we were young
Bb **Gm** **Am** **Dm**
Good times come and good times gone
Bb **Gm** **Dm** **F**
Will find a place in the sun

F, F/Gb, Dm, Dm/D, Bb, F, C, C x2

F **F/Gb**
Within a moment
Dm **Dm/D**
Eternity
Bb **F** **C** **C**
Has pulled the rug from under me

F **F/Gb**
Has taken advantage
Dm **Dm/D**
And liberties
Bb **F** **C** **C**
Has taken names and played for keeps

Bb **Gm** **Am** **Dm**

But from the darkness of my mind
Bb Gm Am Dm
 A single thought has come to light
Bb Gm Am Dm
 Like the first star in the sky
Bb Gm Dm F
 It leads me through the lonely night

F F/Gb
 On a sidewalk
Dm Dm/D
 By the sea
Bb F C C
 A silhouette of you and me

F F/Gb
 Like faded foot prints
Dm Dm/D
 On the beach
Bb F C C
 Like a dream just out of reach

Bb Gm Am Dm
 Take me back to where Iâ€™m from
Bb Gm Am Dm
 Memories when we were young
Bb Gm Am Dm
 Good times come and good times gone
Bb Gm Dm F
 Will find a place in the sun
