D, Bm, C#m, F#m
D, Bm, F#m, A

A A/Gb
Take me back to the day
F#m F#m/D
In the summertime weâ€™d stay
D A E E
On the beach down by the bay

A A/Gb
And in the white sand we would lay
F#m F#m/D
With our worries far away
D A E E
And tomorrow, come what may

D Bm C#m F#m
Take me back to where Iâ€™m from
D Bm C#m F#m
Memories when we were young
D Bm C#m F#m
Good times come and good times gone
D Bm F#m A
Will find a place in the sun

A, A/Gb, F#m, F#m/D, D, A, E, E x2

A A/Gb
Within a moment
F#m F#m/D
Eternity
D A E E
Has pulled the rug from under me

A A/Gb
Has taken advantage
F#m F#m/D
And liberties
D A E E
Has taken names and played for keeps

D Bm C#m F#m

But from the darkness of my mind

D Bm C#m F#m

A single thought has come to light

D Bm C#m F#m

Like the first star in the sky

D Bm F#m A

It leads me through the lonely night

A **A/G'b**

On a sidewalk

F#m	F#m/D
-----	-------

By the sea

D **A** **E** **E**

A silhouette of you and me

A **A/Gb**

Like faded foot prints

F#m	F#m/D
-----	-------

On the beach

D A E E

Like a dream just out of reach

D Bm C#m F#m

Take me back to where Iâ€™m from

D Bm C#m F#m

Memories when we were young

D Bm C#m F#m

Good times come and good times gone

Will find a place in the sun
