

War On Drugs
Laughing Colors

I have never seen a tab for this song on the web, yet, so i decided to tab it myself...

It took me 2 minutes to find the chords, and they are the right ones.. Atleast they sound right to me.

Verse:

F# C# D#m B

Chorus:

F# C# D#m B

VERSE:

F# C#

It was long ago, seems like a dream

D#m B

the day i sucked the air from a bottle of whiped cream

F# C#

and i got real high, and things got real slow

D#m

and i started talking like this

B

What s goin on i don t know

F# C#

and then i sold my car for Greatfull Dead ticket

D#m

and my dad yeld at me and he grounded me

B

F#

and he said i was a dick it was the worst day of my life

C# C#sus4 C#

and i ll never forget,

D#m

but the very next day i was doing bong hits

B

in the back of my brand new Chevette

F#

C#

C#sus4 C#

so don t tell me, we re winning the war on drugs

D#m

cus drugs are like a big old can of raid

B

and you re all little bugs

F#

C#

C#sus4 C#

and don t tell me, to not get high

D#m

cus i m as low as i can get without kissing your ass

B

and blowing you at the same time

CHORUS:

F#

C#

man don t tell me about love and peace

D#m

B

F#

when one of the johnses has a hand gun pointed at me

don t tell me to just say no

D#m

B

I m an addict, i say no to letting it go

F#

C#

what ever happen to sex durgs and rock n roll

D#m

B

now we just have aids, crack and techno

F# - C# - B
