

**Giddy On Up**

**Laura Bell Bundy**

No Capo

Chords Used - **D C G A**

**D**

Baby where you been, it s half past ten

**C**

Oh, look you re late again

**G**

Busy day, got a lot on your mind?

**A**

You should hear about mine.

**D**

A tall drink of water and a pretty little thing

**C**

Were kissing on the corner in the pouring rain

**G**

Turned my head to get a better view

**A**

Oh Lord, help me it was you.

**D**

Didn t love me

**C**

I ain t no fool

**G**

Didn t love me

**A**

No, no, no, no.

**D**

Love, love you let me down

**C**

Making this too easy

**G**

Love, Love you let me down

**A**

Think you should be leaving

**D**

Love, love you let me down

**C**

Let me down

**Em**

**G**

No you wont string me along

**Em**

**G**

You better be moving on

(No chord)

Giddy on up

Giddy on out

**D**  
Been acting pretty strange, didn t want to talk  
**C**  
Mmm, there s a pep in your walk  
**G**  
Smiling a lot when you look at your phone  
**A**  
There s a change in your tone  
**D**  
I ve been through your pockets and smelled your shirts  
**C**  
I don t wear Bath and Body Works  
**G**  
Should ve seen the signs you were sneakin around  
**A**  
She must be the number on the napkin I found

**D**  
Didn t love me  
**C**  
I ain t no fool  
**G**  
Didn t love me  
**A**  
No, no, no, no  
**D**  
Love, love you let me down  
**C**  
Making this too easy  
**G**  
Love, Love you let me down  
**A**  
Think you should be leaving  
**D**  
Love, love you let me down  
**C**  
Let me down

**Em** **G**  
Oh you wont string me along  
**Em** **G**  
You better be moving on  
(No chord)  
Giddy on up  
Giddy on out

Oh let me tell you  
**D**  
I guess you could say that I was blind  
**C**  
I was blinded by my love (uh-huh)  
**G**

I did everything for you

**A**

And now push has come to shove

**D**

So lets call a spade a spade

**C**

Was it worth the price you paid? (uh-uh)

**G**

Now I am done, I m the lucky one

**A**

And you can sleep in the bed you ve made

**D**

Didn t love me

**C**

I ain t no fool

**G**

Didn t love me

**A**

No, no, no, no

**D**

Love, love you let me down

**C**

Making this too easy

**G**

Love, Love you let me down

**A**

Think you should be leaving

**D**

Love, love you let me down

**C**

Let me down

**Em**

**G**

Oh you wont string me along

**D**

Love, love you let me down

**C**

Making this too easy

**G**

Love, Love you let me down

**A**

Think you should be leaving

**D**

Love, love you let me down

**C**

Let me down

**Em**

**G**

You wont string me along

**Em**

**G**

You better be moving on

Giddy on up

Giddy on out

End on D
