Her soul was strong, her heart was tough

And when she felt she had enough

She tore herself away

Love in the dark is all you see

Get what you want, not what you need

You look the other way

Never letting on to what it's all become

Like a wild bird of prey, like a thief in the night

You can take what you want, and you don't think twice

cos the world's in your hands, and you've got all you want

And you won't change a thing, you're the lucky one

Oh, the lucky one

Oh, the lucky one

Life is a dream, the lucky one, the lucky one, the lucky one

Oh, life is a dream, the lucky one

Life is a dream, the lucky one, the lucky one

Baby thinks she's smart, but what about her heart?

Like a wild bird of prey, like a thief in the night

You can take what you want, and you don't think twice

cos the world's in your hands, and you've got all you want

And you won't change a thing, you're the lucky one

Oh, the lucky one

Oh, the lucky one

Oh, the lucky one
