First tab, hope it works for you all, I m gonna try to tab more of her stuff soon.

Where I ve put D* is where when I play this I quickly hold down the 3rd fret on my e string for two strums, I think it sounds right but totally up to you.

Standard tuning.
Capo on 1st (or whatever suits your voice)

Intro: **G, Em, C, D**

G Em C D
Silly me, forgot my pill again
G Em C D G
so easily I could forget my head if I knew how
Em C D
I d have to wear my name around my neck
G Em C D
Evacuee, evacuee style

G Em C
Ooh la la Lolita oh
C D G
Ooh la la Lolita oh
G Em C
Ooh la la Lolita oh
C D
Oh ooh la la

G Em C D G
Pretty please with your head screwed on you said
G Em C D
And I giggled all the way through your assembly
G Em C D
I like the way you dont talk down to me
G Em C D
I m 17, I m 17, I ll be 17 soon

G Em C
And its cold, and its getting on for chri-i-istmas
D
And we must think about our families
