

100 Years Of War

Laura Jane Grace

Alright, so every version I found of this had Laura's deadname on it. Don't test me like that. Here is the proper one. Keep the heartbeat drums in the back of your head while playing, it helps.

[Intro]

Bm G D F#

[Verse 1]

F# **Bm**
The candidates are running
G **D**
They want their name to be the one you choose when your ballot is cast
F#
100 years of war as promised
Bm **G**
Xenophobia and global warming
D **F#**
Teenagers launching into shopping malls, they're armed to the teeth

[Chorus]

G **A** **D** **G**
Well don't miss your chance to see it while it's all happening
G **A** **D** **G**
These are once in a lifetime events, and time will wait for no one
D **Em** **A** **Bm**
I said time will wait for no one

[Verse 2]

Bm **G**
Weapons are locked and ready
D **F#**
Insanity runs rampant in every institution
Bm **G**
Under constant threat of a terrorist attack
D **F#**
Do you think this is surreal? Do you think you've seen reaction?

[Chorus]

G **A** **D** **G**
Well don't miss your chance to see it while it's all happening
G **A** **D** **G**
These are once in a lifetime events, and time will wait for no one
G **A** **D** **G**
Don't miss your chance to see it while it's all happening
G **A** **D** **G**

These are once in a lifetime events, and time will wait for no one
