

Single Girls

Laura Jansen

Hi,

there was already a tab on this song on here, I adapted that one a little. Here goes...

Intro

A - A - D - A

A

E

I think you'd like my new hair

D

I cut it when you weren't there

E

And pieces of us everywhere are falling down

A

E

My bed is now a girl's bed

D

Pink flowers under my head

E

And pillows on your side instead of you

D

E

A E D

Cause that's what single girls do

N.C.

F#m E D

don't think about you

A

I'm reading books on meditation

E

Praying for my heart salvation

D

Oh I've got the motivation

E

to be a free girl now

A

I've gone drinking with the guy down the hall

E

D

put up a new color on my bare walls

I'm so damn busy

E

after all

D

E

A E D

Cause that's what single girls do

N.C. F#m E D

don t think about you

B

I keep trying

C#m

I keep trying

C

E

to make my way back to the light where I belong

B

But God keeps lying

C#m

God keeps lying

C

E

saying this is for the best and nothing here is wrong

D

E

But I m still thinking bout

D

E

I m still thinking bout

D

E

F#m E D

I m still thinking about you

N.C.

F#m E D

Still think about you

A

E

I think you d like my new hair

D

I cut it like I didn t care

E

that pieces of me everywhere

were falling down

A

One more glass of wine

E

before I turn off the lights

D

E

this time this time I ll be fine

I ll be fine

D

E

I ll be fine

Oh whoa
