

Candlelight

Laura Marling

I ve already posted this song on here but only recently realized a fault in it.
I m not
how to edit old tabs so i ve just reposted it ;)

Basically the original G Major chord i tabbed is a G6. Doesn t sound like that
big of a
but it makes a whole lotta difference sound wise. :) Enjoy!

G6- 3x243x

G6 C
I have a fear of rejection
G6 C
But you won t see it in my be-judgment
G6 C
Arrogance is my biggest fault
G6 C
But it s the thing I hate most of all
Cm D
But maybe I m just crazy and grew up too fast

G6 C
This is heaven and hell all at once
G6 C
This is all I got and all I want
Cm D
But like a lost soul I will wander the globe till this feeling s gone

G6 C
Sitting in his bedroom scared as hell
G6 C
Listening to The Libertines on the vinyl player on his shelf
G6 C
Getting nervous as I leave his door
G6 C
Drinking quite a lot and then drinking quite a lot more
Cm D
But maybe I m just crazy and grew up too fast

G6 C
This is heaven and hell all at once
G6 C
This is all I got and all I want
Cm D

But like a lost soul I will wander the globe till this feeling s gone

G6 C
Cigarette by candlelight

G6 C
This became my view of the night

G6 C
Summertime was my biggest squeeze

G6 C
So much to do and so many to please

Cm D
But maybe I m just crazy and grew up too fast

G6 C
This is heaven and hell all at once

G6 C
This is all I got and all I want

Cm D
But like a lost soul I will wander the globe till this feeling s gone
