Failure
Laura Marling

Hello everybody! I hope you ll enjoy this chords. I ve made this for the first
time, so I m not sure if the0y re ok. They will not give you the same melody as
in the song but you can sing with them like Laura ^^. So, if you ve got
something
to say about this chords please send me an email.

Have fun! :D

Intro:**C**
C   **Am**
He used to be a singer in a rock and roll band
G   **F**   **G**   **C**
he would write the songs and i d tremble at his hand but oh, la laa
G   **Am**   **G**   **C**
he lost poetic ethic and his songs were pathetic, and he s a failure now

C   **Am**
he used to be the life and soul of everyone around
G   **F**   **G**   **C**
you d never catch him looking up and never see him down but oh, la laa
G   **Am**   **G**   **Am**
he couldnt raise a smile oh not for a while and he s a failure now

C   **F**   **G**
dont cry child, you ve got so much more to live for
C   **F**   **G**
dont cry child, you ve got something i would die for
C   **F**   **G**
and if it come to the rain, just be glad you ll smile again
G   **C**
cause so many dont.
C   **Am**   **G**
And so many go unamed

C   **Am**
People push right past me shouting various claims
G   **F**   **G**   **C**
a preacher pushes me a side and asked to wash my sins i said no, la laa
G   **Am**   **G**   **C**
If he made me in his image, then hes a failure too

C   **Am**

And i used to need a couple o people keep my head down
```
G                                      F                 G        C
```
now i need a whole lot more to keep me on the ground but oh, la laa
```
G                           Am                          G        C
```
I gave up something and i gave it up for nothing and i am failure now

```
C                 F                          G
```
Dont cry child, you ve got so much more to live for
```
C                 F                          G
```
Dont cry child, you ve got something i would die for
```
C                              F                 G
```
and if it come to the rain, just be glad you ll smile again
```
G           C
```
cause so many dont.
```
C                 Am
```
And so many go unamed
