

How Can I

Laura Marling

C **G**
We ve been riding up mountains
C **G**
Turning corners in our lives
C **G**
We would have taken any buses
C **G**
Headed for Telluride

G
We stopped in the desert

In the middle of the night
C
And looked to the stars on the old roadside
Am
You look at me and said

Look at the moon,
Bm **G**
Take it in, it ll be gone soon

C **G**
I m taking more risks now,
C **G**
I m stepping out of line.
C **G**
I put up my fists now,
C **G**
Until I get what s mine.

G
Should have been you,

Could have been anyone.
C
You see I never missed my chance to run
Am **D**
I would go anywhere with you
Bm **G** **Bm** **G**
I would go if you ask me to

Em **D** **Bm** **Em** **D**
How can I----- live without you?
Em **D** **Bm** **Em** **D**

How can I----- live?

C **G**
I wrote you a letter
C **G**
Posted out Central L.A.
C **G**
Now if you ever come through here
C **G**
Won't you come take me away?

G
Could have been you

But it would've been anyone
C
You see I've missed my chance to run

Am **D**
I would go anywhere with you
Bm **G** **Bm Em D G**
I would go if you ask me to

G **Bm D Em D**
How can I----- live without you?
G **Bm Em D**
How can I----- live?
G **Bm D Em D**
How can I----- live without you?
G **Bm D G C**
How can I----- live?

C **G**
I'm going back east where I belong
G
Where I belong
C **G**
I'm going back east where I belong
G **Bm G Bm**
Where I belong

G **Bm Em D**
But how will I----- live without you?
G **Bm Em D**
How can I----- live?
G **Bm G D**
How can I----- live without you?
G **Bm D G D G**
How can I----- live?
