

Rest In The Bed
Laura Marling

Am **Em** **Am**
There lies a man of my heart
Em **Am**
A fine and complete work of art
Dm **C** **Am**
Here, I his woman, his home, and his heart
Em **Am**
And proud to be playing that part
Em **Am**
And proud to be playing that part

Em **Am**
Rest in the bed of my bones

All that I want is a home
Dm **C** **Am**
And all you can do is promise me bold

That you won't let me grow dark or cold
Am **Em** **Am**

And all I want from life is to hold your hand

Em **Am**
All that I have are these bones
Em **Am**
And all that I want is a home
Dm **C** **Am**
And all you can do is promise me bold
Em **Am** **Dm**
That you won't let me grow dark or cold
Am **Em** **Am**
As long as we both shall live
