

Cube Land Original Minecraft Song
Laura Shigihara

INTRO:

Bm--A-G (x2)

(verse 1)

Bm **A G** **Bm** **A G**
I m in a cube land. I dig with cold hands
Bm **A** **D** **A** **Bm** **A G**
I use these tools to try and climb out of this mess I ve made
Bm **A** **G**
My door is open. Skeletons and zombies
Bm **A** **G**
I am broken, as they walk all over me
Bm **A** **D** **A** **Bm A G**
But if I keep on building walls, maybe they ll stay away

(pre-chorus)

G **Bm** **A**
Think fast, it s got to last if you re gonna make it
G
through the rest of the day
G **Bm** **A** **F#**
I m trapped, I can t go back, I ve made the choice to stay

(chorus)

Bm **A** **G** **Bm**
And we ll fight... keep defending through the night
A **G**
(we ll fight the good fight)
Bm **A** **G** **Bm**
Live... we re all driven to survive
A
(we ll fight the good fight)

G **A**

I ll keep going, just stay by my side.

Bm--A-G (x2)

(verse 2)

Bm **A** **G** **Bm** **A** **G**
I m in a cube land. My castle s so grand
Bm **A** **D** **A** **Bm** **A** **G**
And once I lay these tracks I ll finally make my escape
Bm **A** **G** **Bm**
I am no one. I have no place, no one relates and there is no sun
A **G**
As the night covers this space
Bm **A** **D** **A** **Bm** **A** **G**
But I beg you, please please don t let this life go to waste

(repeat pre-chorus and chorus)
