Verse 1:

**B** **E** **B**  
Jesus Lord and King, you came to wash the feet

**E** **F#**  
of sinners such as me, and for the world

You left your throne on high to calm creation's cry

**E** **F#** **B**  
To suffer and to die for the world, for the world

Chorus :

**E            B            E            B**

(We cry) Holy Jesus, lowly Jesus

**E    F#    B**

Lamb that was slain for the world, for the world

Verse 2:

**B** **E** **B**  
 You bled from pierced side for every tongue and tribe,

**E** **F#**  
 With arms held open wide for the world

**B** **E** **B**  
 With one last breath to breathe, your final prayer and plea

**E** **F#** **B**  
 Was pardon for me, and for the world, for the world

B E B  
Oh, to know your heart; you bid me now to start
