

**Black Butterfly**  
**Laura Veirs**

This song is actually played on piano but here are the chords anyway...

Standard Tuning  
Fingerpicked (recommended)

Intro.

**Am F Dm**

Verse 1.

**Am F**

Goodbye black butterfly

**Dm**

You can take those perfect wings

**Am F Dm**

Into outer space

**Dm Am**

Cause there s no place

**F**

Left in this blood

**Dm**

For your restless fluttering

**Am F Dm**

Your sleepless ways.

Chorus.

**Am F**

Black Butterfly flutter me by

**Dm**

Kick a little glitter into the night

**Am**

Spark up the stars

**F**

Leave alone my heart

**Dm**

I m trying to be good by you alright, alright

Intro.

Verse 2.

Chorus.

yeah, so its basically the same all the way through, not too complicated.
