

I Can See Your Tracks

Laura Veirs

The other tabs are wonky. No alternate tunings or capos needed. Play around with picking to get the same patterning as Laura. Obviously some other guitars layered in there that aren't really captured by this, but this is the main skeleton of the song.

F

Oh, I can see your tracks

Bb

But I won't follow them

F

I'll just hope for rain

Dm

Or some kind of crazy wind

Gm

To Erase them

Bb

F

And Chase them into Oblivion

Etc.
