Shadow Blues " Laura Veirs
By Harriet Harding, Sydney, Australia

Every Bbm can be Bbm7, but it isn't as beautiful if you do it all the time!
Boring!
And, just incase you don't know Gb is the same as F#.. Ab is the same as G#
etc!

Bbm
There s a shadow beneath the sea
Ab **Bbm**
There s a shadow between you and me
Bbm
I ve learned that love is scared of light
Ab **Gb**
Thousand seeds from a flower
Bbm
Blowing through the night

Bbm
Your blackened kiss on my cheek
Ab **Bbm**
Your blackened kiss runs river deep

A stranded fish dear, i m on the sand
Ab **Gb**
Blue water from a pool
Bbm
Up to the clouds i ll land

Bbm
Though i am dark 'bout the whys of wanting
Ab **Bbm**
Though i am dark, i m still a child
Bbm Ebm7 **Bbm Ebm7**
Gonna dig a coal mine, climb down deep inside
Ab **Gb**
Where my shadow s got one place to go
Bbm
One place to hide
