

Sun Is King

Laura Veirs

Capo 4

key of G# major

Be sure to accent the alternating bass notes occurring on the low **E** and **A**,
It bounces back and forth between those two.

Chords relative to capo

E

even the most shimmering rain

A

empties out the sky and comes to an end

E

we all know that the sun is king

A

E

there s no messing with our orbiting

B

E

so why is he standing in his own backyard?

D

A

E

crying at his falling down house of card?

did you see the ice in his eye?

did you see the dagger caught in his smile?

innocent as a summer flower

with a serpent coiled under his collar

so why is he standing in his own backyard?

crying at his falling down house of card?

The guitar solo follows the same chord structure as if going through the verse
and chorus once.

Now, if you don t have a capo, which I can sympathize with, then here are the
actual names of those chords.

Verse:

G# - C#

Chorus:

D# - G#

F# - C# - G#
