

Expectations

Lauren Jauregui

[Intro] Am Em B7 Em

Am Em
Up in bed, all alone
B7 Em
Wondering where you've been
Am
Ten past three
Em B7 Em
I know the club closed at two A.M

Am Em
I've already been through about seven scenarios
B7 Em
Bout what it was that changed your mind
Am Em
Knowing very well that you told me you'd come home
B7 Em
And it happens every time

[Refrão]

Am Em
Wish I had no expectations
B7 Em
I wish that I could get it through your head
Am Em
With no confrontation
B7 Em
I really wish we could talk about it instead
Am Em
All these tears that I've cried while I'm turned to the side
B7 Em
And you're in the same fucking bed
Am Em
Wish I had no expectations
B7 Em
But I expect, you expect, we expect

Am Em
No, I don't mean to pry
B7 Em
I don't need no play by play, nah
Am Em
All I need from your side
B7 Em
Is for you to communicate

Am **Em**
Respect for my time, respect for my space

B7 **Em**
Respect for my energy

Am **Em**
Cause I've been waiting here all night for you to warm me

B7 **Em**
And you haven't once thought of me?

[Refrão]

Am **Em**
I wish I had no expectations

B7 **Em**
I really wish I could get through your head

Am **Em**
With no confrontation

B7 **Em**
Really wish we could talk about it instead

Am **Em**
All these tears that I've cried while I'm turned to the side

B7 **Em**
And you're in the same fucking bed

Am **Em**
Wish I had no expectations

B7 **Em**
But I expect, you expect, we expect

(**Am** **Em** **B7** **Em**)
(**Am** **Em** **B7** **Em**)
(**Am** **Em** **B7** **Em**)
(**Am** **Em** **B7** **Em**)

Am **Em**
Oh, I wish I had no expectations

B7 **Em**
I really wish I could get through your head

Am **Em**
With no confrontation

B7 **Em**
Really wish we could talk about it instead

Am **Em**
All these tears that I've cried while I'm turned to the side

B7 **Em**
And you're in the same fucking bed

Am **Em**
Wish I had no expectations

B7 **Em**
But I expect, you expect, we expect
