

Invisible Chains

Lauren Jauregui

Dm **Bb** **Gm**
I ve been trapped in a cage
Dm **Bb** **Gm**
Sorrow said I should stay
Dm **Bb** **Gm**
But I found beauty in this pain
Dm **Bb** **Dm**
Gave me strength to break these invisible chains

Gm
I don t believe in your fairytales and goals

Conozco la vida and

Dm
She s working on my soul

This ain t over yet

Still got demons in my hea-a-ad

Cold, sweating in my bed, whoa

Don t wanna get used to

Dm
Screaming in my sleep like every night

Just praying on the day when I see the light

?Bout hundred miles deep but I?m feeling like

I?m running outta time
