

**No Stress**

I don t wanna work today  
Maybe I just wanna stay  
Just take it easy cause there s no stress

I know it s not an awful crime  
Something pleasure in my mind  
Nothing is gonna cause me distress

I taxe my baby on her phone  
How to get her sexy body home  
That s the way I wanna spend my day

Got to find another alibi  
Cause I dont wanna waste my time  
I don't wanna feel distress  
It s not that I m not lazy I think I m just crazy  
It s not that I m not lazy I think I m just crazy  
It s not that I m not lazy I think I m just crazy  
It s not that I m not lazy  
I m just crazy

No stress

I m just crazy

No need to fight against my feelings  
Because my life is not depressing (2x)

No stress.
