

Blue Days And Sleepless Nights

Laurie Lewis

G

Blue days and sleepless nights

D

Somewhere I went astray where did I go

G

Blue days and sleepless nights

D

Where did I loose my way I donâ€™t know

G

For a long time Iâ€™ve been wandering

D

Searching for a landmark or a sign

G

For so long Iâ€™ve been wondering

D

has the light gone out or am I blind

[Chorus]

C

G

Oh can you show me, where is my guiding star

C

D

Hey Can you point the way to the path of heart

G

Lead me away from these Blue days and sleepless nights

G

I used to dance out on the edge

D

I was possessed I could not fall

G

but now a days I just inch along that ledge

D

afraid to dance I barely crawl

[Chorus]

C

G

Oh can you show me, where is my guiding star

C

D

Hey Can you point the way to the path of heart

G

Lead me away from these Blue days and sleepless nights

G

Many times I have mistaken

D

the light of another eyes for my own

G
just to be lead astray again
D
with no light of my own to guide me home

[Chorus]

C **G**
Oh can you show me, where is my guiding star
C **D**
Hey Can you point the way to the path of heart
G
Lead me away from these Blue days and sleepless nights

G
Blue days and sleepless nights
D
Somewhere I went astray where did I go
G
Blue days and sleepless nights
D
Where did I loose my way I donâ€™t know
