

**El Tejano ft Sofía Reyes**  
**Lauv**

Intro: **Am E7 Am**

**Am**  
I met a girl at El Tejano

**E7**  
We danced to Spanish covers of Nirvana

We danced and got another margarita

She's from Reseda

**Am**  
I said I'm from where ever you're going tonight

**Am**  
Yeah, drinking after dark, that's when she stole my heart

**E7**  
She knew my friends, that's where the story begins

Standing at the salsa bar, asked me if it was mild  
**Am**

I was speechless but still I smiled.

**Am**  
Took me by the hand and asked if I had plans

**E7**  
I said, getting drunk and pretending that I can dance

She laughed, I fell in love and now it's no going back  
**Am**

Once you know it, yeah, you know it, that's that.

I met a girl at El Tejano  
We danced to Spanish covers of Nirvana  
We danced and got another margarita  
She's from Reseda  
I said I'm from where ever you're going tonight

It's happy hour up in NoHo  
We danced  
She said I never come here solo  
We danced  
She bought a round of straight tequila  
She's from Reseda  
I said I'm from where ever you're going tonight  
Yeah, she asked if I like Friends  
I guess that that was the test

I said, hell yeah and Phoebe's the fucking best  
We were standing at the salsa bar, feeling the vibration  
I always find myself in random situations

**Am**

Oooh do you want to have a little bit of fun tonight?

**E7**

She said, oooh I do

**Am**

Oooh do you want to have a little bit of fun?

**E7**

**Am**

Y primero dije no pero si quería

**E7**

Pa' que te fueras me inventé cualquier tontería

Pero después del trago 5 te di la mano

**Am**

Y me gustó tanto lo malo que eras bailando.

**Am**

Déjame te enseño yo que la cumbia es mía

**E7**

Cuando se acabe esta canción nos vamos (quién diría)  
Mira que no salgo sola, pero llego sola, que estoy mejor sola pero...

**E7**
